Dear Friends,

Has music been an influential soundtrack in your life?

We believe live music has the power to transform people and bring communities together - plus, it's just plain fun! That's why we invite you to join us in our mission to provide professional, top-quality music performances for the Belt Valley community.

By sponsoring us, you'll support 21 live music performances and student education outreaches — 16 season shows from October to May, four fantastic outreaches, and the 4th annual Beltstock concert rockin' on the big stage at Castner Park.

In addition to supporting rural community live performance and student outreach, your investment helps to preserve the historic Belt Theater as a home for community events and gatherings.

Thank you for your generous support of the arts — we promise to keep the music going!
